

Our Commitment:

William Osler Health Centre will provide the best community hospital care in Ontario. We transcend boundaries and buildings. We will provide our communities with a seamless service through one health care system.

We are many people with many skills, yet our communities will experience one vision, one attitude. We believe there's only one way of doing things - the best way. And we will be a leader in health care by committing to that attitude.

Our Strengths:

We are Trustworthy, Open and Passionate

Trustworthy We are straightforward about issues, responsibilities, outcomes and capabilities.

Open We are open to new ideas and people's concerns and sensitive to the needs of our communities.

Passionate We are people with ideas, with dreams, with energy. People whose passion is as integral to health care as their skills.
